## Children, young people, and Families Practitioner - Practitioner in Children's Residential Care Apprenticeship

As a practitioner you will be working with children, young people, and families, including carers, to achieve positive and sustainable change in their lives.

You will demonstrate a passion to care for and about children, young people, and families. You will be skilled in recognising and assessing the complex needs that children, young people, and families often present. You will agree with the child, young person, or family any specific interventions or referrals.

Your approach will be one of respectful curiosity that challenges and supports children, young people, and families to achieve their potential and stay safe. You will collaborate with other professionals and organisations to share the responsibility for improving outcomes.

Job role will include being a Practitioner in Children's Residential Care. You could be working in a few settings e.g., a children's home, a residential special school or a secure children's home. The children might be living on their own or in a larger group. You will take the lead in developing and delivering the child's placement plan and will work with the child to support their health, education, social and day to day needs, playing a significant role in helping them to thrive and fulfil their potential.
